My Life Is Like This Now

Camilla Stull

Am F
Seeing red, feeling down
C
I got this feeling in my heart
G
Things won't turn around

Am
That time is not yet near
F
Feeling sick
With a frown
C
All the screaming in my head
G
Is all I hear

Am
Feeling so tired
F
Like I just ran a mile
C
Wish it would go
G
Just once in a while

Am
But I can't shake it off
F
It just won't leave me alone
C
I want something more
G
A happiness of my own

Chorus

F
My life is like this now
C
And I don't know why
G
I don't know how

Am
It's unbelievable
F
I can't figure it out
C
I still want a chance
To fly, to dream
G
To have my chance

Am
And when I feel like this
F
I feel like this
I feel like that
C
And then
G
I wake up

End Chorus

Am
Feeling the pain
F
Feeling the blues
If I feel I'm going to win
C
Then I'm sure
G
I'm gonna lose

Am
Cause I keep on thinking
F
But I can't stop thinking
C
What I thought
I was thinking
G
Was true

G
It'll take a life to heal this bruise

Am
I can't help
F
I can't control
C
I can't repel
G
I've lost my soul

Am
And I know
F
It ain't in heaven
C G
It must be in hell

Am
Cause where has my life gone
F
I've left it far behind
C
My great fear is
I'll leave this world
Before I can
G Am
Make up my mind
